Carve out a brighter future

Nestled in the shade of the River Red Gums, Mason Quarter is a new community that will elevate expectations about life in Wollert.

Mason Quarter will be a place where people will enjoy to live, learn, play and grow together enjoying the plethora of open space and celebrating the rural heritage, river redgums, educational options and transport links that give this new community and its public realm a truly unique identity.

Shopping, dining and entertainment options are never far away when you live at Mason Quarter. You can find all your everyday needs in the existing neighbourhood shopping centres located nearby, with a new town centre set to come to life just a short stroll to the west of Mason Quarter.

The Mason Quarter community will boast two anticipated brand new schools, with many more proposed in close proximity.
